

## **SCRIPT - The Football Pundits**

**HARRY:**

How did you think England did in the Euro 2016 tournament?

**IAN:**

Weren't they supposed to use that 4-3-3 formation that they used in the last warmup match?

**HARRY:**

England actually used their normal 4-4-2 formation and put Vardy and Kane up front

**IAN:**

It must have been 4-3-3 as Rooney was played in front of Vardy and Kane. Why was Kane taking all of the corner kicks?

**HARRY:**

Maybe because Roy Hodgson thought that Harry Kane was good at taking free kicks, so Kane's role was expanded so he took the corner kicks too

**IAN:**

Strange place for a centre forward. Would that explain the performances that England did during Euro 2016?

**HARRY:**

That goal keeper Joe Hart did some good saves

**IAN:**

But Joe Hart let in at least eight goals

**HARRY:**

But it was still enough to get England through to the knockout stages of the tournament

**IAN:**

How did you think England did against Iceland in the knockouts?

**HARRY:**

Terrible, they did get one goal but still got knocked out, Gary Lineker was not impressed with England's performance

**IAN:**

And in embarrassment Roy Hodgson resigned before the FA could sack him. Didn't Gary Lineker say that if England lost to Iceland, he would present Match of the Day in the nude?

**HARRY:**

Gary did say that, but it never happened

**IAN:**

So what happened to Gary Lineker?

**HARRY:**

He got confused and he walked onto the set of the Great British Bake off in the nude and got arrested

**IAN:**

So what was Gary doing there?

**HARRY:**

Rumours had it that Gary Lineker was auditioning to be the next presenter for that show. Mary Berry will never be the same again, she had to undergo counselling

**IAN:**

I hope that's not given Paul Hollywood any ideas

**HARRY:**

He never had any ideas so far and he is also  
undergoing counselling

**IAN:**

Whereas Gary Lineker is in custody and has been told  
to keep his clothes on...
