Location: SLC TV Studio

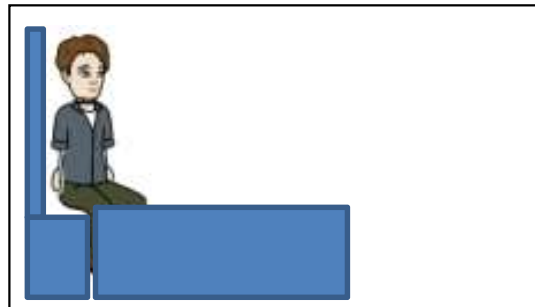

Sketch Starts with Dave Fetcher asking Hardy to take his seat

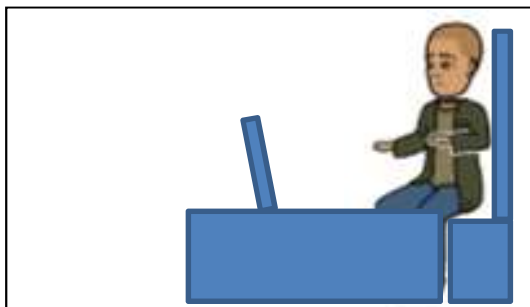

Hardy sits down

Dave tells Hardy to start his pitch

Hardy Pitches his business plan to Dave

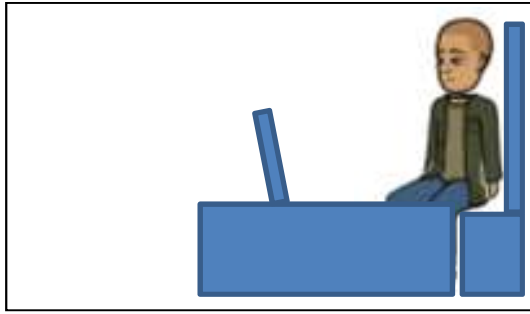

While Hardy is talking, Dave puts all the notes onto the laptop

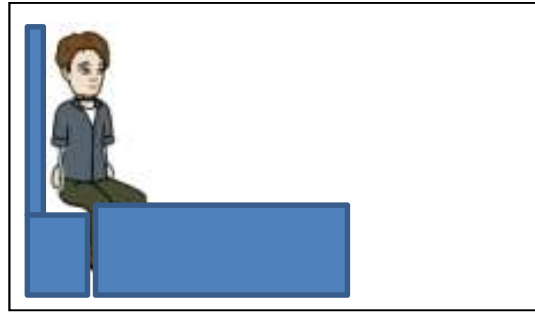

Camera Switches back to Hardy

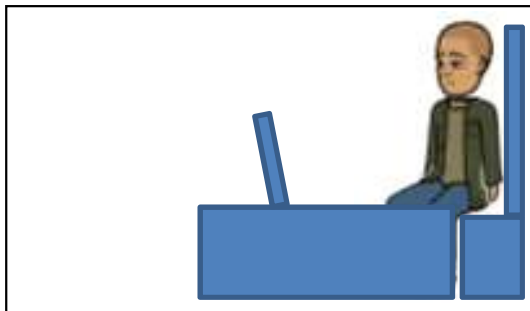

The Stooges Sketchbook

Camera Switches back to Dave when disaster strikes, his laptop has crashed and has lost all the notes he was typing

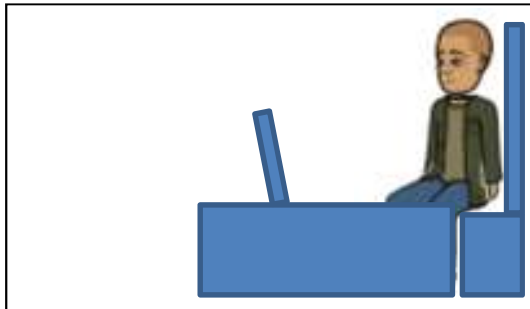

Camera Switches back to Hardy to see if there is anything he could do

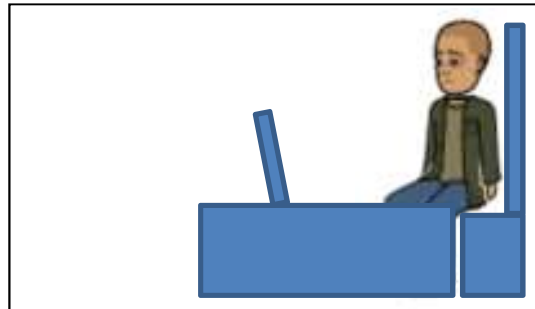

Camera Switches back to Dave when tells Hardy that he knows what he is doing

Camera Switches back to Hardy, Hardy then suggests phoning his computer repairman

Camera Switches back to Dave when he tells Hardy that he can't use his mobile phone in the branch

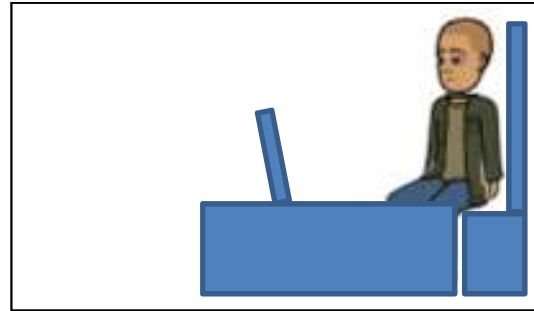

Camera Stays with Dave when he remembers that repair man and he now knows who his costumer really is, Hardy Dunn from the computer shop from down the road

The Stooges Sketchbook

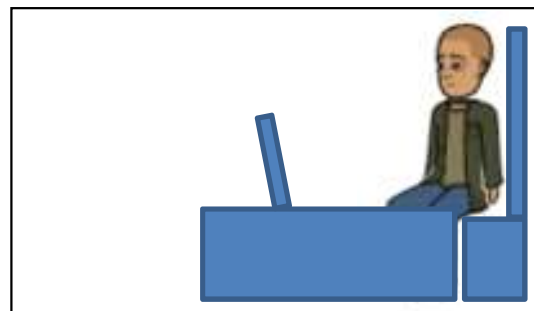

Camera Switches back to Hardy who demands on what Dave is on about

Camera Switches back to Dave who visited the computer shop to have his Windows 10 Computer fixed

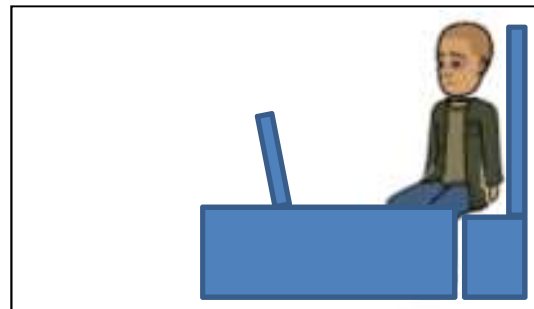

Camera Switches back to Hardy who recalls that visit and that the laptop was fixed and working

Camera Switches back to Dave who now remembers that this house laptop still has Windows 98 which is still not working

Camera Switches back to Hardy who wants to know what has happened to Dave's office laptop, (this has Windows 10)

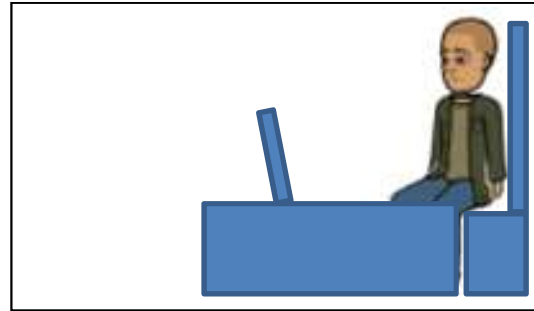

Camera Switches back to Dave who tells Hardy that Windows had upgraded the office Laptop to the anniversary update

The Stooges Sketchbook

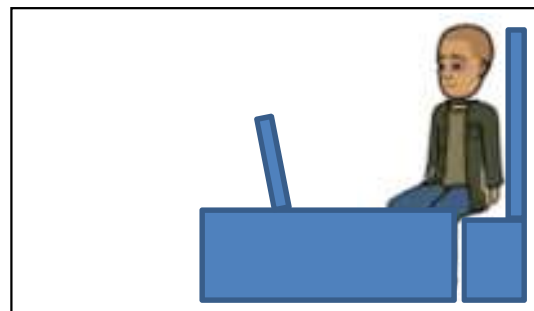

Camera Switches back to Hardy and wants to know what is happening to the laptop

Camera Switches back to Dave and tells Hardy that it keeps showing the blue screen of death

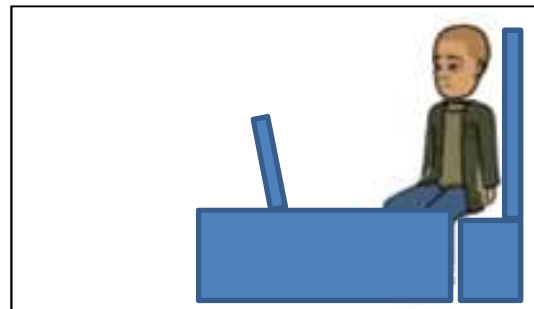

Camera Switches back to Hardy and he will get his computer repairman to get the laptop fixed ASAP, at this point we know hear the voiceover

Camera Switches back to Dave and wants to know more about Hardy's business plan

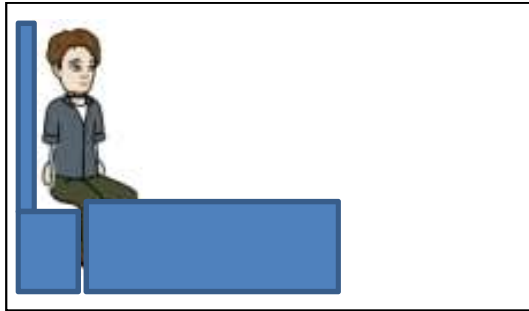

Camera Switches back to Hardy and tells Dave that all he is going to do is extend the repair shop area

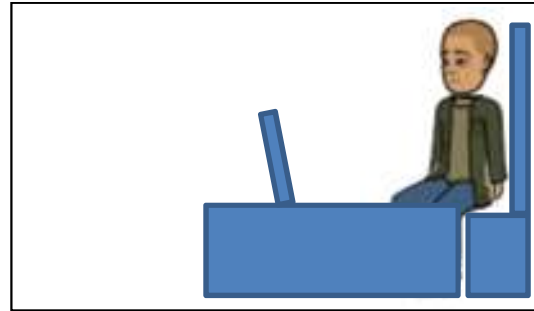

Camera Switches back to Dave and asks Hardy what he is going to do with the shop area

The Stooges Sketchbook

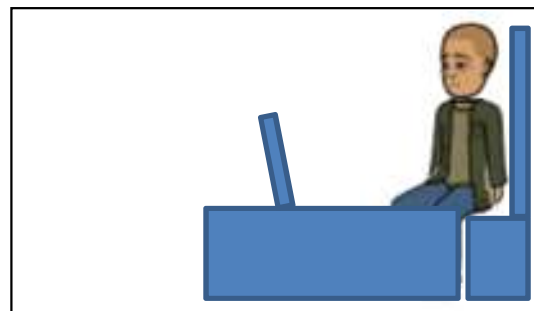

Camera Switches back to Hardy and tells Dave that the shop will remain the same

Camera Switches back to Dave and tells that if only the repair shop is going to get extended, he claims that it is not worth investing with Hardy that the £100,000 investment into Hardy's business that destroyed his laptop

Camera Switches back to Hardy and tells Dave that Hardy could extend the shop area and make the shop more profitable

Camera Switches back to Dave, and before Hardy has finished talking, Dave has made his decision and won't be investing with Hardy and declares himself out

Sketch ends with Hardy exiting and we also hear the voiceover again
